

# CURRICULUM VITAE

## **RICHARD JOSEPH DUFFEY, M.D.**

Premier Medical Eye Group.  
2880 Dauphin Street  
Mobile, AL 36606  
(251) 343-EYES (office)  
(251) 470-8928 (fax)

### **EDUCATION:**

- 1975-79 College: University of Notre Dame, Indiana 46556, B.S. Degree  
Pre-professional, Magna Cum Laude, 1979
- 1979-83 Medical School: University of Texas Southwestern Medical School, 5323  
Harry Hines Blvd., Dallas, Texas 75235, M.D. 1983

### **INTERNSHIP:**

- 1983-84 Internal Medicine, Parkland Memorial Hospital and Dallas  
V.A. Hospital, 5323 Harry Hines Blvd., Dallas, Texas 75235

### **RESIDENCY:**

- 1984-87 University of South Carolina, Department of Ophthalmology,  
Richland Memorial Hospital, 5 Richland Medical Park Rd.,  
Columbia, South Carolina 29203
- 1986-1987 Chief Resident

### **FELLOWSHIP:**

- 1987-89 Cornea/Refractive Surgery and Anterior Segment,  
University of Minnesota, Department of Ophthalmology  
516 Delaware St., Minneapolis, MN. 55455  
Research '87-'88, Clinical '88-'89  
(Richard L. Lindstrom, M.D., Director)

### **LICENSURE:**

- Texas (1983)  
South Carolina (1984)  
Minnesota (1987)  
Alabama (1989)  
Mississippi (1990)  
Florida (1999)

## **PROFESSIONAL EXPERIENCE**

Staff Ophthalmologist and Clinical Instructor, Department of Ophthalmology, St. Paul-Ramsey Medical Center, 640 Jackson St., St. Paul, Minnesota 55101, 1987-1988

Instructor of Ophthalmology, School of Ophthalmic Technicians, St. Paul, Minnesota, 1987-1988

Staff Ophthalmologist and Clinical Instructor, Department of Ophthalmology, Veterans Administration Medical Center, 54th St. and 48th St. S., Minneapolis, Minnesota 55417, 1988-1989

Staff Ophthalmologist and Clinical Instructor, Department of Ophthalmology, University of Minnesota Hospitals, 516 Delaware St., Minneapolis, Minnesota 55455, 1987-1989

Cornea, Cataract and Refractive Surgery Specialist, Premier Medical Eye Group, 2880 Dauphin St., Mobile, Alabama 36606, 1989-Present

## **SPECIALTY BOARD CERTIFICATION**

Diplomate of American Board of Ophthalmology, October 1988

## **HONORS AND HONOR SOCIETIES**

Notre Dame Scholar Academic Scholarship, 1975-1979

Notre Dame Alumni Club of Dallas Academic Scholarship, 1975-1979

University of Notre Dame Dean's List, 1975-1979

Phi Beta Kappa, 1979

B.S. Magna Cum Laude, 1979

Qualified and Listed [Trusted LASIK Surgeons](#), a LASIK surgeons directory service that screens LASIK surgeons based on research, experience, and premier patient care

## **PROFESSIONAL SOCIETY MEMBERSHIPS**

American Medical Association, 1983

American Academy of Ophthalmology, 1985

Association for Research in Vision and Ophthalmology, 1987

American Society of Cataract and Refractive Surgeons, 1988

Castroviejo Corneal Society, 1988

International Society of Refractive Surgeons, 1988

Alabama Academy of Ophthalmology, 1990

Medical Association of Alabama, 1990

Mobile County Medical Association, 1990

American Academy of Medical Ethics, 1989

Alabama Physicians for Life, 1993

Mobile Catholic Physicians, 2004

## **SERVICE IN COMMUNITY/PROFESSION**

1. Alabama Eye and Tissue Bank  
Board of Directors, 1991-1998
2. Saint Ignatius Catholic School  
Board Member, 1991-1994; President, 1993-1994
3. Camp Rap-A-Hope (Children's Oncology Camp)  
Camp Physician, 1992-present
4. Alabama School for the Sensory Impaired  
Board Member, 1992-1996
5. Providence Hospital  
Medical Ethics Committee, 1993-1997
6. Laser Vision Center, Inc. (LVCI)  
National Medical Advisory Board 1998-2002
7. Co-Founder of Mother Theresa Fund, McGill-Toolen Catholic High School  
Mobile, Alabama, 1998-present
8. Refractive Surgery Section Editor,  
Ocular Surgery News, 1999-present
9. TLCVision,  
National Medical Advisory Board 2002-present
10. University of Notre Dame Alumni Club of Mobile  
President 2003-present
11. American Society of Cataract and Refractive Surgeons,  
Practice Management Committee 2008-2010

## **TEACHING and LECTURES in the PROFESSION**

1. Ocular Pathology/Survey of Ophthalmic Diseases. A 12-Hour Lecture Series Presented at School for Ophthalmic Technicians, St. Paul, Minnesota, Spring Semester, 1988.
2. Quantification of Paired Arcuate Keratotomy in Human Cadaver Eyes. Presented at Association for Research in Vision and Ophthalmology Annual Meeting, Sarasota, Florida, May 1988.
3. Ocular Manifestations of Systemic Disease. Presented at Eleventh Annual Ophthalmic Technician Medical Education Program, St. Paul, Minnesota, May 1988.
4. Evaluation and Management of Ocular Trauma. Presented at Eleventh Annual Ophthalmic Technician Medical Education Program, St. Paul, Minnesota, May 1988.
5. The Aging Eye and Systemic Disease. Presented at Annual Geriatric Symposium, St. Paul, Minnesota, May 1988.
6. Human Corneal Thinning for Experimental Refractive Surgery. Presented at Contact Lens Association of Ophthalmologists/International Society of Refractive Keratoplasty Annual Meeting, New Orleans, Louisiana, January 1989.

7. Anatomical Study of Sutured Posterior Chamber Intraocular Lens Implantation in the Human Eye. Presented at Association for Research in Vision and Ophthalmology Annual Meeting, Sarasota, Florida, May 1989.
8. Systemic Disease and the Eye. Presented at the Twelfth Annual Ophthalmic Technician Medical Education Program, St. Paul, Minnesota, May 1989.
9. Intraocular Mirror for Transscleral Fixation of Implants and Anterior Segment Reconstruction. Presented at American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana, November 1989.
10. Teaching Surgeon: Orbis International; Chengsha, China. November 1992.
11. Teaching Surgeon: Orbis International; Khartoum, Sudan. November 1994.
12. Teaching Surgeon: Orbis International; Ulaan Baatar, Mongolia. June 1996.
13. United States Trends in Refractive Surgery: 1997 ASCRS Survey. Presented at the Symposium on Cataract, IOL and Refractive Surgery, San Diego, April 19, 1998.
14. Faculty Instructor, C-LASIK Course Certification, Minneapolis, June 6-7, 1998.
15. 1998 ISRS Survey: Trends in Refractive Surgery in the United States. Presented at the International Society of Refractive Surgery Annual Symposium, New Orleans, November 6, 1998.
16. LASIK Complications Prevention Pearls. Presented at the International Society of Refractive Surgery Annual Symposium, New Orleans, November 7, 1998
17. Central Islands and Irregular Astigmatism Following LASIK. Presented at the LVCI/ASCRS Annual Symposium, San Diego, April 20, 1998.
18. LASIK Refractive Surgery Informed Consent. Presented at the LVCI/AAO Annual Meeting, November 10, 1998.
19. United States Trends in Refractive Surgery: 1998 ASCRS/ISRS Survey. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, Seattle, April 10, 1999.
20. LASIK Performed with Moria LSK One Microkeratome. Presented at the LVCI/ASCRS Annual Meeting, Seattle, April 11, 1999.
21. Faculty Instructor, C-LASIK Course Certification, Minneapolis, May 1-2, 1999.
22. Faculty Instructor, KeraVision/LVCI Intacs Course Certification, Minneapolis, June 19, 1999.
23. Vision Care: Beyond the Millennium. Presented at the Warburg Dillon Reed Global Life Sciences Conference, New York City, September 28, 1999.

24. Faculty Instructor, KeraVision/LVCI Intacs Course Certification, Minneapolis, October 9, 1999.
25. LASIK and Collagen Vascular Disease: Relative or Absolute Contraindication? Presented at the LVCI/ISRS Annual Meeting, Orlando, October 21, 1999.
26. Faculty Instructor, GLORY PRK/LASIK Course, Orlando, October 21, 1999.
27. United States Trends in Refractive Surgery: 1999 ISRS Survey. Presented at the International Society of Refractive Surgery Annual Meeting, Orlando, October 22, 1999.
28. Diffuse Lamellar Keratitis: Diagnosis and Treatment. Presented at the LVCI/AAO Annual Meeting, Orlando, October 24, 1999.
29. Breakfast with the Experts: Advanced LASIK Techniques. Presented at the American Academy of Ophthalmology Annual Meeting, Orlando, October 25, 1999.
30. Faculty Instructor, LVCI C-LASIK Certification, Minneapolis, February 26-27, 2000.
31. United States Trends in Refractive Surgery: 1999 ASCRS Survey. Presented at the ASCRS Meeting, Boston, May 20, 2000.
32. Central Islands in LASIK: Implicating the Flap. Presented at the LVCI Clinical Symposium/ASCRS Meeting, Boston, May 18, 2000.
33. Epithelial Complications of LASIK. Presented at LVCI Clinical Breakfast, Boston, May 21, 2000.
34. LASIK: Epithelial and Flap Complications. Presented at the Fall Ocular Surgery News Symposium, Manhattan, September 16-17, 2000.
35. Moria One-Use Disposable Microkeratome: Flap Quality and Thickness. Presented at the LVCI/AAO Annual Meeting, Dallas, October 19, 2000.
36. LaserScan LSX Flying Spot Laser: Early Experience and Nomogram Development. Presented at ISRS Annual Meeting, and LVCI Clinical Breakfast, Dallas, October 20 and 21, 2000.
37. Haloes, Glare and Epithelial Problems with LASIK. Presented at the Ophthalmic Technician Symposium: WRSS, Dallas, October 20, 2000.
38. United States Trends in Refractive Surgery: 2000 ISRS Survey. Presented at the World Symposium of Refractive Surgery, Dallas, October 20, 2000.
39. Teaching Surgeon: Orbis International; Lima, Peru. January 2001.
40. The Evolution of Microkeratomes. Presented at LASIK: Basic & Advanced Techniques, Complications and their Management, Houston, April 7, 2001.

41. Managing Epithelial Defects & Dry Eye Syndrome. Presented at LASIK: Basic & Advanced Techniques, Complications and their Management, Houston, April 7, 2001.
42. Alternatives to LASIK. Presented at LASIK: Basic & Advanced Techniques, Complications and their Management, Houston, April 7, 2001.
43. Cyclorotation During LASIK. Presented at ASCRS Annual Meeting, San Diego, April 30, 2001.
44. US Trends in Refractive Surgery: 2000 ASCRS Survey. Presented at the ASCRS Annual Meeting, San Diego, April 28, 2001.
45. Maximizing Results with LASIK in Astigmatic Patients. Presented at LVCI/ASCRS Annual Meeting, San Diego, April 27, 2001.
46. United States Trends in Refractive Surgery: 2001 ISRS Survey. Presented at the World Symposium of Refractive Surgery, New Orleans, November 9, 2001.
47. Muro 128 for LASIK Flap Dessication/Adherence. Presented at LVCI Clinical Meeting at AAO, New Orleans, November 8, 2001.
48. Hyperopia and Hyperopic Astigmatism Correction with VISX Star S3 SmoothScan ActiveTrak Excimer Laser. Presented at the World Symposium of Refractive Surgery, New Orleans, November 9, 2001.
49. US Trends in Refractive Surgery: 2001 ASCRS Survey. Presented at the ASCRS Annual Meeting, Philadelphia, June 1, 2002.
50. United States Trends in Refractive Surgery: 2002 ISRS Survey. Presented at the ISRS Symposium of Refractive Surgery, Orlando, October 18, 2002.
51. Follow Up Care: Expected and Unexpected Results. Presented at TLC Vision/AAO Annual Meeting, Orlando, October 20, 2002.
52. Astigmatic Conductive Keraatoplasty. Presented at ASCRS Meeting, San Francisco, April 13, 2003.
53. US Trends in Refractive Surgery: 2002 ASCRS Survey. Presented at the ASCRS Annual Meeting, San Francisco, April 12, 2003.
54. CustomVue LASIK and Future 3.5 Software. Presented at TLCVision Clinical Meeting, Chicago, May 3, 2003.
55. CustomVue S4 VISX Nomogram Development. Presented at AAO/TLCVision Symposium, Anaheim, November 16, 2003.
56. Refractive Surgery in the US: 2003 ISRS/AAO Survey. Presented at ISRS/AAO Annual Meeting, Anaheim, November 14, 2003.

57. Refractive Surgery in the US: 2003 ASCRS Survey. Presented at ASCRS Annual Meeting, San Diego, May 3, 2004.
58. LASIK: Ectasia and Standard of Care. Presented at the TLCVision CAG Meeting, San Diego, May 2, 2004.
59. Optimizing Custom Outcomes: New Momogram Development. Presented at TLCVision Clinical Meeting, Chicago, June 12, 2004.
60. VISX Technology Update. Presented at TLCVision Clinical Meeting, Chicago, June 4, 2004.
61. Why Not IntraLase Now: Moria One Use vs. IntraLase FS. Presented at TLCVision Clinical Meeting, Chicago, June 4, 2004
62. Moria Epi-Keratome and E-LASIK. Presented at TLCVision Clinical Meeting, Chicago, June 4, 2004.
63. Sex-Based Genetics in Eye Disease. Presented through the Genetics Dept. at the University of Notre Dame, October 1, 2004
64. Refractive Surgery in the US: 2004 ISRS/AAO Survey. Presented at ISRS/AAO Annual Meeting, New Orleans, October 22, 2004.
65. Thin Flap LASIK with Moria LSK-One vs. Intralase Laser. Presented at the Moria Scientific Session of AAO Meeting, New Orleans, October 22, 2004.
66. Clinical Ophthalmology and Ocular Pathology. Lecture series presented at University of South Alabama Medical School via Pathology Department for 2<sup>nd</sup> Year Med Students. November, 2004.
67. LASIK Precision with Modern Thin Flap Mechanical Microkeratomes. Presented at the ISRS/AAO Subspecialty Meeting., Washington, D.C, April 16, 2005.
68. 2004 ISRS/AAO Refractive Surgery Survey Presentation. Presented at the ISRS/AAO Subspecialty Meeting., Washington, D.C, April 16, 2005.
69. Refractive Surgery in the US: 2004 ASCRS Survey. Presented at ASCRS Annual Meeting, Washington, DC, April 16, 2005.
70. 2005 ISRS/AAO Refractive Surgery Survey Presentation. Presented at the ISRS/AAO Subspecialty Meeting., Chicago, October 14, 2005.
71. Teaching Surgeon: Orbis International; Kingston, Jamaica, January, 2006.
72. Refractive Surgery in the US: 2005 ASCRS Survey. Presented at ASCRS Annual Meeting, San Francisco, March 18, 2006.
73. 2006 ISRS/AAO Refractive Surgery Survey Presentation. Presented at the ISRS/AAO Subspecialty Meeting., Las Vegas, Nov. 11, 2006.

74. DSAEK Pearls. Presented at the AAO Meeting, Las Vegas, Nov. 11, 2007.
75. Moria LSK-One vs. IntraLase Lasik Flap Predictability. Presented at the AAO Meeting, Las Vegas, Nov. 11, 2007.
76. Refractive Surgery in the US: 2006 ASCRS Survey. Presented at ASCRS Annual Meeting, San Diego, April 28, 2007.
77. 2007 ISRS/AAO Refractive Surgery Survey Presentation. Presented at the ISRS/AAO Subspeciality Meeting, New Orleans, Nov. 10, 2007.
78. Teaching Surgeon: Orbis International; New Delhi, India, November-December, 2007.

### **CLINICAL RESEARCH**

1. Myopic LASIK: CRS FDA Study, Columbia IRB, 1998-2000.
2. LASIK Flap Thickness Study, Moria LSK-One Microkeratome, Principal Investigator, 1999.
3. High Myopia LASIK: CRS FDA Study, Columbia IRB, 1998-2000.
4. Astigmatic LASIK: CRS FDA Study, Columbia IRB, 1998-2000.
5. Thin Flap LASIK, Principal Investigator, Moria, 2004.
6. Epi-LASIK with Moria Epi-keratome, Principal Investigator, RCRC IRB, 2004.
7. Flap Reproducibility with the Moria One Use Plus 90 Micron Head Microkeratome, 2007-08.

## **OPHTHALMIC PUBLICATIONS**

Peer Reviewed and Non-Peer Reviewed Articles, Abstracts and Book Chapters
